

Training Requirements Checklist

According to IACUC Policy 106 all personnel who plan to work with animals or are listed on a protocol must complete the following initial and continued education requirements **before** the protocol will be approved and studies can begin. Additionally, other requirements and other trainings are listed. All listed courses are available from the AALAS Learning Library except where otherwise noted. **Do not create your own AALAS account.** Using your UK linkblue id and password, login to

<https://sso.aalaslearninglibrary.org/Shibboleth.sso/Login?entityID=https://ukidp.uky.edu/idp/shibboleth> . Non-UK personnel must request an account via oav@uky.edu .
