

## Human Research Related Educational Video or Broadcast Recordings and Online Training

### I. National /Institutional

Office for Human Research Protections (OHRP)

<http://www.hhs.gov/ohrp/education/training/>

- Research Use of Human Biological Specimens and Other Private Information
- Reviewing and Reporting Unanticipated Problems and Adverse Events
- Institutional Review Board (IRB) Membership
- General Informed Consent Requirements Parts I (Researcher) & Part II (Participant)

Department of Health and Human Services (DHHS) YouTube Channel

<https://www.youtube.com/user/USGOVHHS>

DHHS Health Resources & Services Administration (HRSA)

<http://www.hrsa.gov/humansubjects/>

- Evolving Concern: Protection of Human Subjects
- Balancing Society's Mandates: Criteria for Protocol Review
- The Belmont Report: Basic Ethical Principles and Their Application

FDA CDERLearn Training and Education

<http://www.fda.gov/Training/ForHealthProfessionals/default.htm>

- Past, Present, and Future of FDA Human Drug Regulations

FDA CDRH Learn

<https://www.fda.gov/Training/CDRHLearn/default.htm>

- Overview of Regulatory Requirements: Medical Devices

Presidential Commission for the Study of Bioethical Issues (Bioethics Commission)

YouTube channel

<https://www.youtube.com/user/bioethicsgov>

Program for Readability in Science & Medicine (PRISM) – Health literacy and guidance for improving readability of Informed Consent Forms

<https://www.kpwashingtonresearch.org/about-us/capabilities/research-communications/prism>

American Society of Clinical Oncology (ASCO) - Web training on the FDA Expanded Access Program

<http://university.asco.org/expanded-access-introduction>

NIH VideoCasting and Podcasting Archives

<http://www.videocast.nih.gov/>

- Codes of Research Ethics, IRB Review, Subject Selection
- Ethical Issues in Study Design and IRB Review
- Comparing IRB Models for Multi-site Pediatric Studies
- IRB Review, Conflicts of Interest and Fair Subject Selection
- History of and Framework for Human Subject Research
- Human Subjects in the Internet Era

## Human Research Related Educational Video or Broadcast Recordings and Online Training

DHHS Office of Research Integrity – The Research Clinic

<http://ori.hhs.gov/TheResearchClinic>

- The Research Clinic interactive training video educates clinical and social researchers on the importance of appropriately protecting research subjects and avoiding research misconduct

Cure4Kids seminars, courses & conferences (includes some CME/ audio and video conferences/registration required) - St. Jude Children's Research Hospital

<https://www.cure4kids.org/ums/home/>

- Opening up the Black Box: Making the IRB Review Process Transparent
- Ethical and Regulatory Issues in Behavioral Research

### II. Community Based Participatory Research Training

CIRTification training in human research protections tailored to unique role of community research partners. In addition to presentation handouts and workbook, contains 60 minute informed consent video

<http://www.ccts.uic.edu/content/cirtification>

Research Ethics Training Curriculum for Community Representatives (RETC-CR) Online training curriculum and resources appropriate for training community based partners or community IRB members.

<http://www.fhi360.org/resource/research-ethics-training-curriculum-retc-second-edition>

Johns Hopkins School of Public Health Field Training Guide – a tool for training individuals who will be “engaged” in some aspect of a human subject research interaction or intervention (e.g., consent and data collection). The guide is specifically worded to help the investigator convey basic research principles and behaviors to the trainees. The guide has been translated into several languages.

<https://www.jhsph.edu/offices-and-services/institutional-review-board/training/jhsph-human-subjects-research-ethics-field-training-guide.html>

### III. National Public Outreach and Study Volunteers

OHRP- General Informed Consent Requirements Part II (Participant)

<https://youtu.be/URo4x4pv68A>

VA Research & Development

<http://www.research.va.gov/default.cfm>

- Women's Health Research Conference
- 85 years of VA R & D
- Veteran & Country music star, Stephen Cochran video for VA Research

Dana-Farber Brochure - Entering a Clinical Trial: Is it Right for You?

<https://www.dana-farber.org/legacy/uploadedfiles/library/research/clinical-trials/clinical-trials-booklet.pdf>

## Human Research Related Educational Video or Broadcast Recordings and Online Training

National Institutes of Health Educating Children, Their Parents, and Healthcare Providers about Pediatric Clinical Research (English or Spanish)  
<http://www.nhlbi.nih.gov/childrenandclinicalstudies/index.php>

- No More Hand-Me-Down Research

Center for Information & Study on Clinical Research Participation (CISCRP)  
<https://www.ciscrp.org/education-center/>

- Participating in a Clinical Trial
- Medical Hero Educational PSA

#### IV. Responsible Conduct in Research (RCR)

UK OSPA Responsible Conduct of Research (RCR) & CITI Program  
<https://www.research.uky.edu/office-sponsored-projects-administration/policies-procedures>

American Psychological Association Care on Animal Research and Ethics (CARE) Video Series  
<http://www.apa.org/research/responsible/care-video.aspx>

#### V. University of Kentucky

UK Healthcare CECentral <http://www.cecentral.com/>

- Search and view online education activities (example - *The FDA and the Drug Approval Process*)

UK TeleCare Education Programs - 859-257-6404  
<http://kytelecare.med.uky.edu/kytelecare-home>

UK CCTS Videos, "Learn More About Participating in Research"  
<https://www.ccts.uky.edu/participate-research/understanding-clinical-trials-participants>
