

Center for
Health Services Research

Presents

Data and Resources Available to Support Health Services Research: MarketScan, UK HealthCare, & More

led by

Jeffery Talbert, PhD

Director, UK Institute for Biomedical Informatics and Associate Director, UK Center for Clinical and Translation Science.

also featuring

Emily Slade, PhD, Director, Biostatistics Consulting and Interdisciplinary Research Collaboration Lab (Biostat CIRCL); Kelsey Karnik, PhD, Biomedical Data Scientist, Biostat CIRCL; and Darren Henderson, Senior Information Technology Manager, Center for Clinical and Translational Science (CCTS).

Join the Center for Health Services Research (CHSR) for a presentation reviewing the data and resources available to researchers from the Center for Clinical and Translational Science. Data covered will include UK HealthCare Clinical Data, MarketScan Data, and Kentucky Hospital Discharge Data. Resources include information about managing secure data and analysis tools for machine learning.

Free seminar

Friday, September 20
12 p.m.

Healthy Kentucky Research
Building, Room 150
