Launch Blue

FROM INVENTION TO IMPACT

UAccel Quick Start + I-Corps

STEP 1: UACCEL QUICK START

Program for innovators who want to learn the best commercialization path for their technology.

NSF I-CORPS
NSF Innovation Corps

STEP 2: I-CORPS

For those who have successfully completed Quick Start and are looking to form a startup, apply for I-Corps Nationals or other NSF grants.

Program details

Elements of the virtual program include: independent study through lectures on Thinkific, goal of at least 20 customer discovery interviews, one-on-one coaching sessions, and cohort meetings to report out on findings.

Program Eligibility

Open to faculty, graduate students, postdoctoral researchers, and staff from institutions of higher education and founders of tech-based startups.
