

THE WHITE HOUSE
WASHINGTON

Join the White House Office of Public Engagement on Monday, **April 15 at 2pm EST/1pm CST** for East Palestine Train Derailment Briefing.

In February 2023, a Norfolk Southern train carrying hazardous chemicals derailed in East Palestine, Ohio, jeopardizing the community's safety and sense of normalcy. Since the derailment, the Biden-Harris Administration has mobilized a comprehensive, whole-of-government response to support the people of East Palestine, Ohio, affected communities in Pennsylvania, and other impacted communities.

Register today to hear from federal, state, and local agency leaders as well as research and community partners on key environmental, economic, and health updates.
